

740 Student Feedback Sheet

Please answer as many questions as you can to provide feedback on the course. You can write/type your name or choose to remain anonymous. Of course, you can always send your course related feedback to me and the TAs. Feel free to use extra sheets as necessary.

How fast is the pace of the course so far?

How fast is the pace of the lectures?

How satisfied are you with the material covered in the course? Is it too easy, too hard, or at the right level?

How heavy is the workload in the course? Too heavy, too light, or just the right amount?

If there was one thing in the course you would change, what would that be? Explain.

A second thing?

A third thing?

Any other comments? (Feel free to use the back of the sheet)
